Hi Nancy, I am following up on our recent phone call regarding the oil and gas audit policy initiative our Regional Administrator, Doug Benevento, has been discussing with Todd Parfitt. I've attached a discussion draft we've prepared to frame our own thoughts about this as well as to use as a starting point for discussions with your team. We'd love to get your feedback and discuss when you and your team are available. Do not hesitate to let us know if you have any questions in the meantime.

Thank you, Chris
